No 4296/138

~~Bangalore~~ Mysore, 19 November 1897

From

H J BHABHA, ESQ,
Inspector General of Education in Mysore,

To

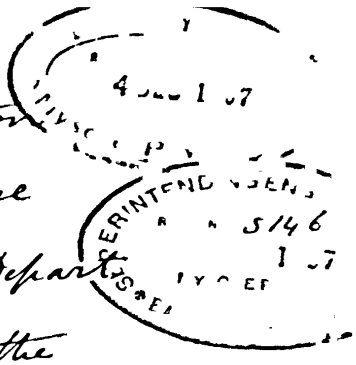
The Secretary to the Government of Mysore
in the General and Revenue Deptt,
Bangalore.

SIR

I have the honour to forward herewith letter No 95 of the 21st October 1897 from the Head Master, Kolar High School bearing this office Reporter No 4525/311 and to state that complaints are frequently received from the Head Master on the state of disrepair and the dangerous condition of the headmaster's quarters Under these circumstances, I request that Government may be pleased to ask the Public Works Department to report on the state of the Headmaster's house, and if it be advisable to sell it as the Headmaster

V

proposes, to order ste sale and sanction either the construction of a new house from the Budget of the Public Works Department or the grant of houserent to the Headmaster.



I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha

MYSORE P W DEPARTMENT
CENTRAL OFFICE
Bangalore 14th January 1898

From

The Chief Engineer of Mysore
Bangalore

To

The Secretary to the Government of Mysore
General and Revenue Departments
Bangalore

Sir

S No 17

With reference to your letter No 6387 / E & 39 96 dated 3rd ultimo, forwarding correspondence on the subject of improving the Head Masters Quarters at Kolar, for my suggestions and opinion on the matter, I have the honor to forward the enclosed copy of letter No 128 dated 8th instant from the Superintending Engineer, Eastern Circle on the subject. Under the circumstances reported therein I support the Superintending Engineers recommendation for the construction of a new building for the Head Master, on the site marked A on the enclosed survey plan near the High School, provided Head Masters at Kolar, are entitled to have precedences such for them by Government

Encl

But no money can be made available for the work from this years Provincial grant, which is already overdrawn. Endeavours will be made to provide for it in the next years Budget, meanwhile the preparation of a project will be taken in hand. The sale proceeds of present Excavators may be placed at disposal of Public Works Department, to go towards cost of new buildings.

11 Enclosures are returned

Superintending Engineers Office
Bangalore 8th January 1878

No 128

From

The Superintending Engineer
Eastern Circle -

To

The Chief Engineer
of Mysore
Bangalore

Sir

Referring to your endorsement No 6221 of 6th ultimo (herewith returned) calling for a report on the condition of the Head Quarters at Kolar, I have the honor to report that the bulding was inspected by me in July last - It was purchased by Government from one Mr Steele for ~~Rs~~ 2038 in 1876-77 and ~~Rs~~ 1588 have since been spent partly on repairs and partly on some additions

2 The bulding consists of Kucha walls and an ordinary tiled roof The walls have cracked and the bulding is so bad and

otherwise

otherwise unsafe it is not possible to repair it properly. Its situation also is not good. It stands on a low ground and is moreover far away from the High School, as will be seen from the enclosed survey of the town of Kolar. I would for these reasons strongly recommend the construction of a new building, near the High School, for the Head masters.

I have &c

Letter no 4296/138 dated 19th November 1897 from the Insp Genl of Edn in Mysore bringing to notice the state of disrepair of the Head Masters Quarters at Kolar

Letter no 257 dated from the 14th January 1898 from the Chief Engineer in Mysore forwarding with reference to this office no 6387 Edt 39-96 dated 3rd Decr 1897 a copy of letter from the Superintending Engineer, Eastern Circle on the above subject with his own opinion

Order thereon No 9799-800 Edt 39-96 dated 16-2-98

The building with is The present Head masters Quarters at Kolar is reported to be in a state of utter disrepair and being situated on low ground and at a distance from the School is unsuited for the purpose for which it is intended

2 The Chief Engineer

Educator 230 of 97-98 4

~~I suggest~~ recommends ~~that the~~ that the ~~construction of~~ be constructed (8701
a new building
funds therefor being provided in
the D P W Budget for 1898-99
and that in the meanwhile the preparation
of a project for the work being taken
~~on~~ the hand at once He further
suggests that the present Head
Masters Quarters may be sold
and the proceeds placed at the
disposal of the D P W towards the
Cost of the new building proposed
to be erected on the Site marked A
in the enclosed Survey plan

3 Govt are pleased to approve
of the Chief Engineers Suggestions
